FIFTEEN CENTS

MARK WILLIAMS

Mark Williams has a mighty big fish story to tell

Mark Williams, 16, of Antioch has a great Fish Story to tell. He caught this 45 inch 22½ pound Musky during his summer vacation in northern Wisconsin.

Mark was fishing alone in a boat in front of his family's cottage when he got this monster on the line. His sister, Susan, drove his dad out to the fishing boat.

Rev. Steve Williams, of United Methodist Church of Antioch, transferred boats and was able to help Mark net the huge fish.

The happy family drove to town to register and found that Mark's Musky was a winner in Boulder Junction, Musky Capital Of The World. Mark had pictures taken for the newspaper and received a gift and a certificate of merit from the town's Chamber of Commerce.

The trophy fish is being mounted and in September Mark will have proof of his fish story.

Special deadline announced for holiday news

The Antioch News office, 952 Main St., will be closed Wednesday, July 4, in observance of the national holiday. Regular display advertising and news deadline have been advanced to 4:30 p.m., Friday, June 29, for the Wednesday, July 4, edition which will be on the newsstands Monday, July 2, a day earlier than usual. Mail subscribers will receive the News on Tuesday, July 3, a day early.

Village mourns death of civic leader Walsh

Irving Walsh, an active citizen in the Antioch community who served as a trustee on the village board for four terms, died at the Milwaukee County Hospital Sunday.

Walsh, 62, was a life long resident of Antioch.

He served as an Antioch trustee from 1963 until 1978 and was on the Antioch Fire Dept. since May, 1946.

WALSH WAS ALSO an assistant chief and treasurer of the fire department for many years.

A member of the Loyal order of the Moose Antioch Lodge 525, he also belonged to Antioch VFW Post 4451.

He was a salesman for many years at the Rittenhouse and Embree Lumber Co., formerly the Antioch Lumber and Coal Co.

During World War II Walsh served in the U.S. Navy.

THE FACT THAT he served four terms on the village board "is a sign of what the people of Antioch thought of him," said Mayor Michael J. Haley.

"He was probably one of the most knowledgeable elected officials that I ever served with," Haley said.

"He will be sorely missed by the Antioch community and most especially by me as a confidant and personal friend," he said.

Village clerk Marilyn Sterbenz said, "He certainly dedicated a lot of his time and effort to the village and fire department."

"EVEN AFTER HIS first heart operation he still kept up his municipal duties," she said. "It is a loss for the village and his family."

Walsh is survived by his wife Eleanor, two daughters and a son. They are Mrs. Sue (Paul) Beinecke (Normal, Illinois) and Diane and Bob, both at home.

Survivors also include his mother,

Elizabeth Walsh and a brother, Frank, both of Antioch.

He was preceded in death by his father Daniel and brother James Walsh.

FUNERAL SERVICES were held on June 27 at the Strang Funeral Home. The Rev. Philip O. Laurin of St. Stephen Lutheran Church officiated. Interment was held at Hillside Cemetery.

In lieu of flowers, contributions may be made in his memory to the Antioch Rescue Squad, St. Stephen Lutheran Church or the Antioch Fire Dept.

IRV WALSH

They're biting

The best chance for fishermen is early in the morning hours or early evening in order to avoid the hot summer days, reports Ed Sorenson of Sorensens Bait Shop, Antioch.

Bright, hot, calm days send fish down toward the deeper water to avoid the bright sun, so Ed Sorenson suggests that fishermen set lines at 15 to 20 feet level. Bluegills are biting in Rock Lake and crappies are a good catch in East Loon Lake. Cedar Lake, East Loon and Deep Lake are your best bets this week.

Antioch Library has Picturepages

The Right to Read Program of the U.S. Office of Education has funded a project to distribute Picturepages booklets through public libraries in selected cities, including Antioch.

Picturepages is a daily feature on the CBS Network's Emmy Award-winning children's television program, Captain Kangaroo.

A limited supply of Picturepages booklets will be sent for each week, which can be picked up at your library. Sign up early for them.

These will coincide with the T.V. program starting July 9 and run through Sept. 10, then will follow another 10 weeks. The program can be seen daily on Channel 2 and 6 at 6 a.m.

Sign up early and have some fun helping your children play the Picturepages games. Don't forget to pick them up each week.

Family Night set Thursday at Williams Park

Antioch Parks and Recreation presents its first Family Night at Williams Park, Thursday, June 28 from 7 to 9 p.m.

Old time family races, relay games, three-legged races, egg toss, and Big Wheel races for all ages.

Special added feature is a water show and clown diving exhibition. The refreshment stand will be opened for your pleasure.

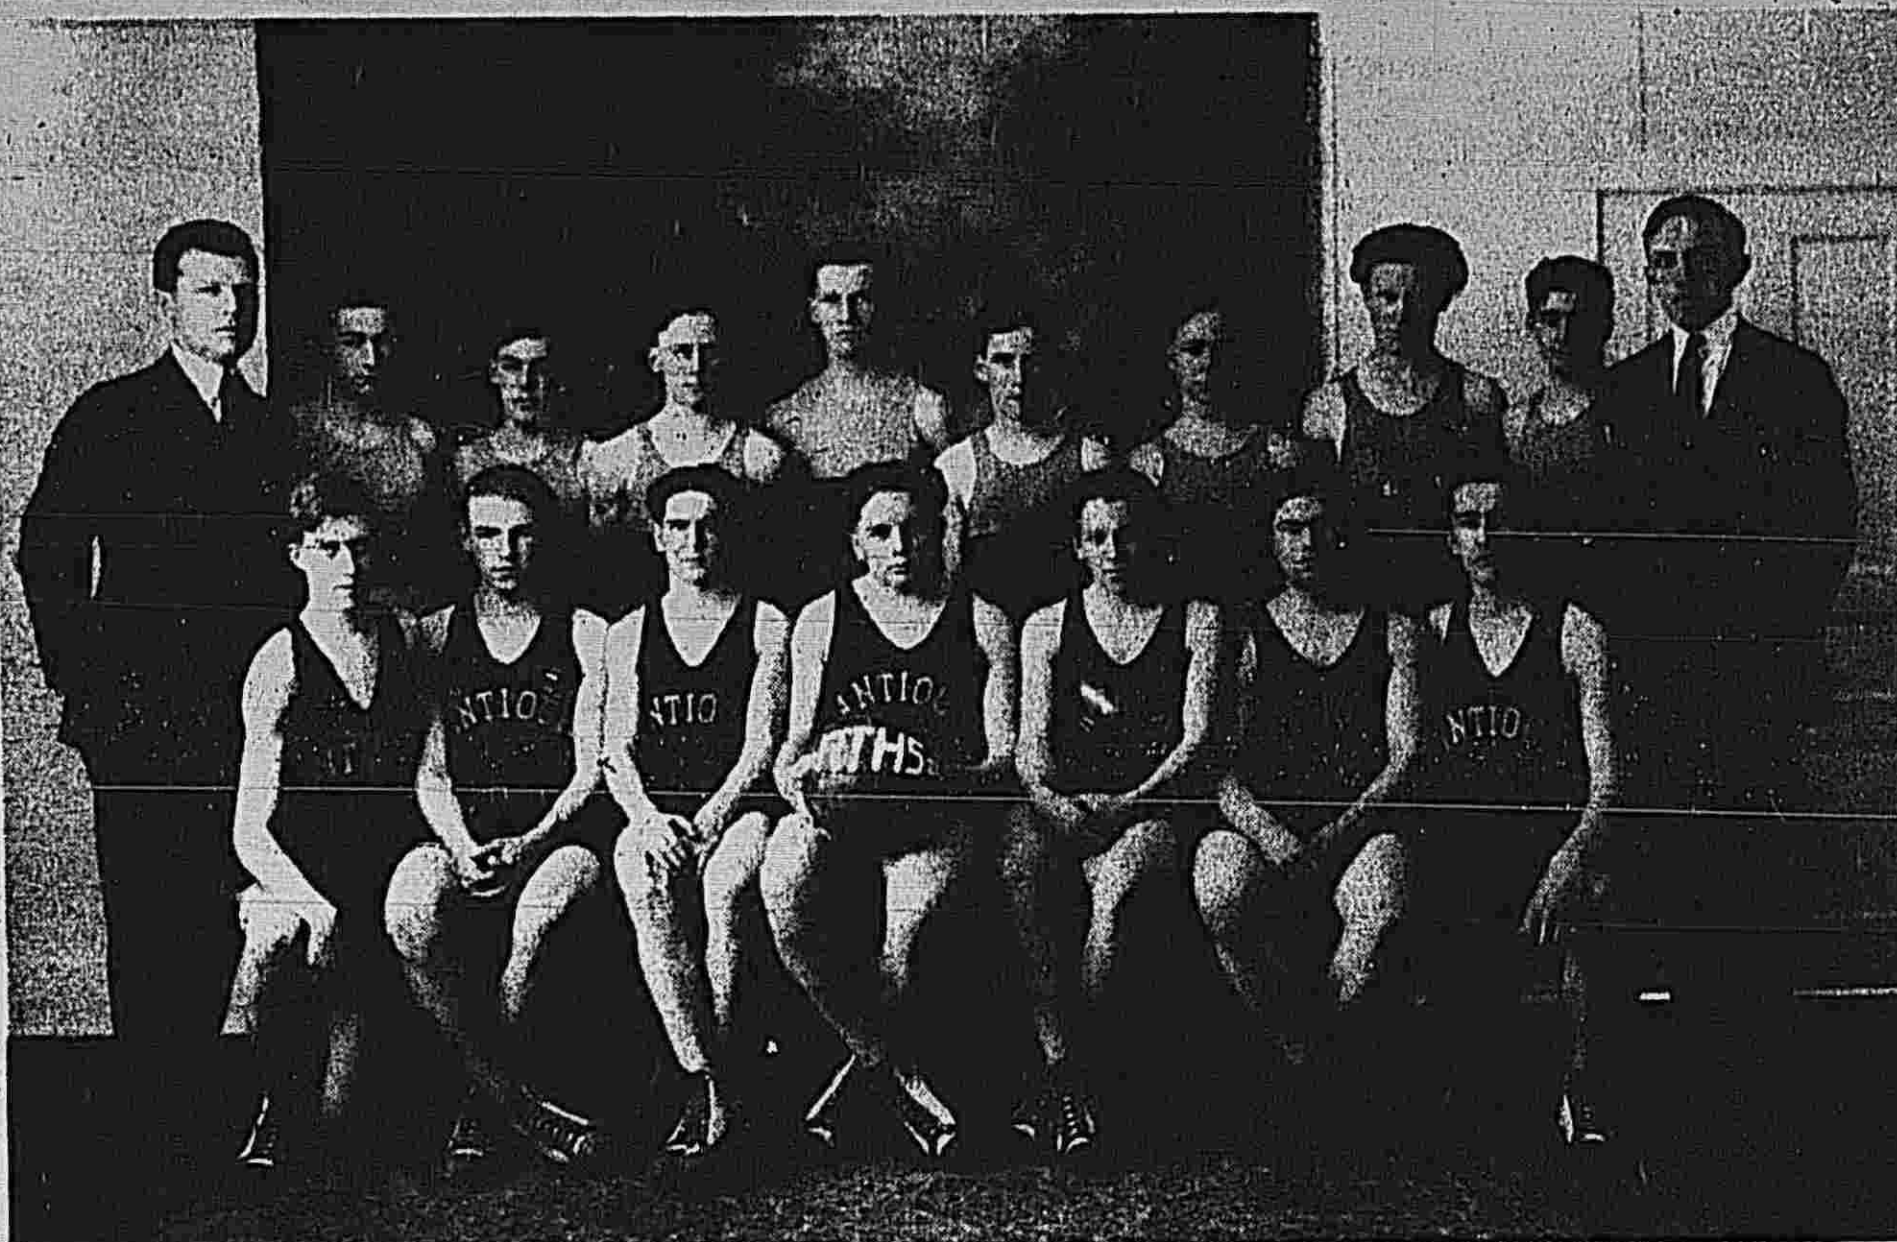

Fun for all ages.

Don't forget your Big Wheel.

Chamber Arts & Crafts Fair near

See Page 2

ANTIOCH TOWNSHIP HIGH SCHOOL BASKETBALL TEAM 1926 — The 50-plus organization of Antioch Township High School graduates is hoping some of members of basketball team will attend reunion planned for July 21. Team is identified as from left, front

row; Willet, Wison, Burgess, Simpson, Nixon, Hook and Schwenk. Back row; Principal L.O. Bright, Palmer, Waldweiler, Hughes, Hattendorf, Kennedy, Shunneson, Lynch, Bernoflo and Coach, L.R. Watson.

Antioch grads to get together

It is reunion time again, and the Antioch Township High School (ATHS) 50 plus group will be getting together for old times sakes at 6 p.m., July 21.

For the past two years former Antioch High folks have gathered for a buffet dinner and a good visit with old friends.

The 50 plusers extend an invitation to any and all who attended ATHS fifty or more years ago to join them for a pleasant evening of reminiscing about high school hijinks, favorite teachers and the good old days.

The class of 1929 is especially invited, not in place of their own fiftieth anniversary celebration, but in addition to it.

Anyone who knows the whereabouts of former teachers or anyone who attended ATHS at anytime, please pass the word on to

them — the more the merrier!

The cost for the evening at the Cabriole, Libertyville, will be \$11.00.

For further information please contact Glenná Roberts Simpson, '27 at 566-1954 or write her at Rt. 1, Box 358, Mundelein, Ill. 60060.

Chamber plans told

Three activities sponsored by The Antioch Chamber of Commerce and Industry are planned for the rest of the summer.

An art fair will be held at July 8 featuring entertainment by the PM&L Theatre players, a magician and a band. Games and contests will also be held.

Beer, brats and hot dogs will be on sale all day and a pancake breakfast will be held from 8 to 11 a.m.

About 6 p.m. water fights and a fundraiser will take place.

The other two activities are Maxwell Street Days, held August 23 and 4 and Moonlight Madness, held August 23.

School meeting scheduled

The regular monthly meeting of the Board of Education of Antioch Community High School, District 117, Lake County, Antioch, will be held on Thursday, June 28, at 7:30 p.m. in the Board Room.

Join the State Bank in fighting the "energy crunch" . . . by making a qualifying deposit you will receive your choice of many great energy-saving devices listed below under the Gift Selector. Limit one free gift opportunity per account. Big reductions on additional items each time you add \$100 or more to your account balance after your initial deposit. COME IN TODAY!

* Rate Effective July 1, 1979

GIFT SELECTOR		WITH A QUALIFYING DEPOSIT OF:					WITH EACH ADDITIONAL DEPOSIT of \$100 or more you pay only
		\$200	\$500	\$1,000	\$5,000	\$10,000	
1	BOOK ON CONSERVING ENERGY "Energy Saving Projects For Your Home", published by Better Homes & Gardens, has 28 projects with complete do-it-yourself instructions and diagrams geared to the beginner that help you conserve energy in your home.	FREE	FREE	FREE	FREE	FREE	1.95
2	TIME ALL A basic, fully automatic timer that allows you to simulate a lived-in appearance in your home while you are away. Timer can be set to turn your lights or appliances on and off at preselected times once each day, conserving energy and providing home security at the same time.	4.95	2.95	FREE	FREE	FREE	6.95
3	SPORT BLANKET Keep the thermostat down this winter and snuggle up in this soft, 45" x 50" 100% acrylic blanket. Or enjoy this multi-purpose blanket this summer as a picnic blanket or car blanket. Available in a variety of bright plaids, fully machine washable and dryable.	5.50	3.50	FREE	FREE	FREE	7.50
4	COFFEE TIMER Wake up, America, with your morning coffee ready when you are. Timer automatically turns coffee makers on and off each day. Convenient and safe way to also control other appliances.	5.95	3.95	FREE	FREE	FREE	7.95
5	PULSATING SHOWER HEAD Revitalize your body in the shower while conserving energy. Tests have shown that showering uses significantly less heated water than bathing in a tub. The exclusive oval design of this showerhead gives more water coverage than ordinary round showers, and the pulsating action gives an energetic body massage.	6.95	4.95	1.95	FREE	FREE	8.95
6	DELUXE PROGRAM TIMER This handsome energy-saving timer has a walnut-like face and can be programmed to turn lights and appliances on and off several times a day. Your home is filled with light and sound . . . just as if you were there, but turns everything off, too, so you save energy also.	8.95	6.95	3.95	FREE	FREE	10.95
7	WATTA PIZZARIA Watta great idea! The deliciously economical way to enjoy pizza at home . . . Save up to 70% energy as compared to electric or gas range ovens. And it's easy to clean because it's submersible.	9.95	7.95	4.95	FREE	FREE	11.95
8	AIR-CONDITIONER TIMER This multiple program timer is designed to control the 24-hour operation of your air conditioner. Set it once and it will automatically go off when you leave home and start up for cooling just before you return. Saves both power and money.	10.95	8.95	5.95	FREE	FREE	12.95
9	CHANTILLY BLANKET Keep warm and save energy too while keeping your thermostat down this winter. The Chantilly bed blanket is a lovely 100% acrylic thermo blanket; is a big 80" x 90" and comes in soft pastel colors of blue, yellow, and white.	10.95	8.95	5.95	FREE	FREE	12.95
10	TEMPERATURE TENDER The Temperature Tender automatically regulates your home's thermostat allowing you to control the temperature of your house in summer or winter when you are not at home during the day, or when you go to bed at night. Not only will you be conserving energy, but you will be saving money on your heating and cooling costs, too.	11.95	9.95	6.95	FREE	FREE	13.95
11	MALIBU LIGHTS Provide home security as well as beautify your yard day and night with a Malibu Lighting System, and for a mere 2" nightly. This system comes complete with 6 clear light assemblies plus assorted colored lenses, mounting stakes, hardware and brackets, 100 feet of cable and a power pack transformer with a 24-hour timer.	72.95	70.95	67.95	62.95	55.95	75.95

Happenings

Lake County Forest Preserve District officials are anxious to hear from or about anyone in Lake County who will be 100-years-old or older during 1979.

These special senior citizens will be honored at Lake County Senior Citizens

Recognition Day scheduled for Wednesday, August 29, 1979 at the Lakewood Forest Preserve in Wauconda, Illinois.

For more information contact Gary Pingle at the Forest Preserve District Headquarters, 367-6640.

ANNIE MAE

An open house was held Saturday, June 23 in honor of Norwegian guests, Odd Odegard and his three children Anna Christine 14, Sisel 17 and Gunnar 20. They are visiting Pat and Genie Wagner who are distant cousins.

The out-of-country guests are visiting the United States on a charter tour and will be here two and one-half weeks. The Odegards flew to Minneapolis, rented a car and drove to Antioch, "without a bit of trouble."

The father is a businessman who has traveled extensively and who speaks very good English. The Norwegian visitors "love" our country. Although their visit is brief they are totally enjoying their stay.

Other relatives in the Antioch area are Leslie and May Palmer, Vi Shunneson and Einar Petersen.

The Odegards and the Wagners are distant - either third or fourth cousins. This is a reciprocal exchange. Mr. and Mrs. Wagner visited in Norway for three weeks last year.

The relatives did not see each other until 10 years ago when Odegard was in Chicago on business and looked up his Antioch kin.

Interest climbs at Antioch Savings & Loan

Antioch Savings and Loan Assn. has announced that a new savings certificate will

become available this July 1. The certificate will bear the maximum interest rate

of 1 per cent below the average four-year rate for U.S. Treasury Securities.

For example, if these certificates would have been effective June 1, the maximum allowable rate would have been 8.10 per cent for savings and loans, and 7.85 per cent for commercial banks.

These rates could be compounded upward as high as 8.44 per cent for savings and loans, and 8.14 per cent for

commercial banks. These rates could be compounded upward as high as 8.44 per cent for savings and loans,

and 8.14 per cent for commercial banks. The minimum deposit on this account and all certificates of deposit after July 1 will be \$500.

Tom Kelly, president of Antioch Savings and Loan, noted that "This new certificate will allow the small saver to achieve a higher

rate of return on their savings as long as the Treasury yields are high."

Kelly also noted that over the past year, the six-month money market certificate has been in great demand because of their high interest rates. However, many savers cannot afford the \$10,000 minimum balance requirement.

The Association announced that it will also increase regular passbook

savings earnings rates from 5.25 per cent to 5.50 per cent which is 1/4 higher than a commercial bank can offer.

EXPELLED

At a special board meeting of the Antioch Community High School, members voted to expel a student for the summer session. Arthur Blecke, principal, said he could not say who was expelled or give the reason.

STATE COMMENDATION — State Bank of Antioch President William E. Brook, left, accepts a plaque from Charles J. Murphy who on behalf of the Secretary of State, Alan J. Dixon, is presenting the plaque commending the State Bank for its unique and valuable contribution to the cause of traffic safety in Illinois in conducting the Third Annual Bicycle Safety Rodeo June 13. More than 100 area children completed the skill layout course in the State Bank's parking lot. State Bank officers and staff, as well as members of Antioch's Dept. of Parks and Recreation all served as timekeepers, scorers, registrars, and judges for the event. Members of Antioch Police Dept. were on hand to safety check and register bikes. The Safety Rodeo is held each year in conjunction with the bicycle safety program of the office of Alan J. Dixon, Secretary of State.

Co-workers honor Kelly

by JUDITH PAGE

Senior Regent Judith Kelly was honored at the June 21 meeting of the Women of the Moose.

A presentation was made to Judith from her co-workers of a money bouquet and the Chapter gave her the graduate ring.

The publicity committee compiled three books: one of the pictures taken during the year; one containing the news articles from local papers throughout the year and the third filled with articles of memory of the happenings during the past year.

With the help from her mother and father, Elizabeth and Art Andersen and Judith's husband Richard, the Publicity's books were carried into the chapter and presented to her. This was Judith's final meeting that she served as leader.

The current governor of the lodge, Ken Knackstedt and past governor, Richard Wisniewski and Jr. Governor Ray Dunaj wished Judith best of luck next year and thanked her and the co-workers for past help.

Ritual Director June Ballenger asked all new participants of the ritual staff to attend the ritual practice scheduled June 28 at 7:30 in order to start good ritual work for the new year.

Marilyn Miller, who was unable to attend the June 16 installation of chairmen and officers was installed as Hospital Chairman by Collegian Jerri Polson.

Senior Regent Judith served as guide placing the emblem on the newly installed chairman.

Dishes to pass for the July 19 open meeting of the College of Regents were requested by Chairman Gladys Schroeder.

Senior Regent Judith, on behalf of the Chapter, presented collegian Norma Lowe with the black cap charm. Norma recently received the College of Regents degree at Mooseheart.

The next meeting will be held July 5 at 8:00 p.m.

Swingers announce winners

In the Spring Valley Swingers June 12 event (Low Putts) Beth Behne won in class A and Essie Brown and Pat Thamerus in class B.

Low Net was won by Sandy Jacobs, class A and Lorraine Severson, class B.

The June 19 event of the day (Low Gross) was won by Gloria Swigart (41) in class A and Betty Hartnell (56) class B. Low Net winners were Sandy Jacobs, class A and Betty Hartnell, class B.

RUNSET

On Sunday, July 22, The Antioch Parks and Recreation Department is holding a 5,000 and a 10,000 meter run, "First Annual Antioch Roadrace, 1979".

Energy saving gifts at State Bank Of Antioch

Join the State Bank in fighting the "Energy crunch".

Choose from many great energy-saving gifts when you make a qualifying deposit to a new or existing State Bank of Antioch 5 1/4 per cent Regular Passbook Savings Account.

These energy-savers include a hardcover book illustrating many do-it-yourself projects to conserve energy in your home; several types of timers to control energy consuming lights, appliances, air-conditioners, and furnaces; a deluxe pulsating showerhead that reduces hot water consumption significantly as it gives you an invigorating massage. Or you can select a handsome plaid sports blanket that will come in very handy this summer as a picnic blanket, and then this winter you can keep your house thermostat turned down while you snuggle up in this soft 100 per cent acrylic, fully machine

washable blanket; or, you can choose the lovely chintilly bed blanket, which comes in three soft shades of blue, yellow or white.

There's also the very unique Watta Pizzaria. Not only can you cook pizzas at home without using all the energy of an oven, but you can also cook potatoes, TV dinners, sandwiches, etc. in this convenient, easy to clean appliance. Another

great energy-saving premium is the Malibu Light System. With a Malibu System you can provide home security and beautify your yard day or night for a mere 2 cents nightly.

All the items described above have great energy-saving features to help save in the consumption of electricity and fuel, an endeavor worthy of consideration by all of us in this time of energy shortage.

FFF trip cancelled

Ann Petrisko, program chairlady for the Antioch Fun, Food and Friendship Center, had to cancel the luncheon and theatre outing planned for June 30 at the Fireside Inn to see "Oklahoma."

There was a misunderstanding about the price of tickets for those who registered before June 26, 1978 and those who

registered after that date. The year was omitted from the newspaper story and several people who had registered at the center after that date thought they were eligible for the reduced price.

Since not enough eligible people registered for the outing, it had to be cancelled.

Scout camp fun begins July 9

Reservations are being accepted for an exciting Girl Scout day camp program to be held this summer at Camp Morrison near Lake Villa, Jody Evins, camp coordinator announced.

She said there will be four sessions one week long beginning July 9 for 300 girls

of elementary and junior high school age.

The fee is \$18 per week and includes bus transportation, a camp patch, a wide variety of activities and supplies including overnight camping and some meals.

EVINS SAID girls do not have to be members of the

Girl Scouts to enroll in the camp which may be more exciting this year than in the past.

The program will last from 9 a.m. to 3 p.m., Monday through Wednesday with an all day session and overnight campout Thursday and a return at noon Friday.

The girls will learn outdoor skills and crafts, play games, and participate in songs, hiking, archery and other activities, including making new friends.

There also are six specific units of teaching in advanced outdoor cooking, primitive camping, folk art,

backpacking, cycling, music, art and drama.

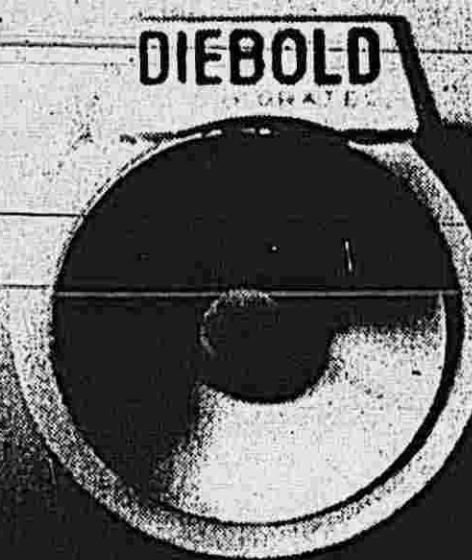

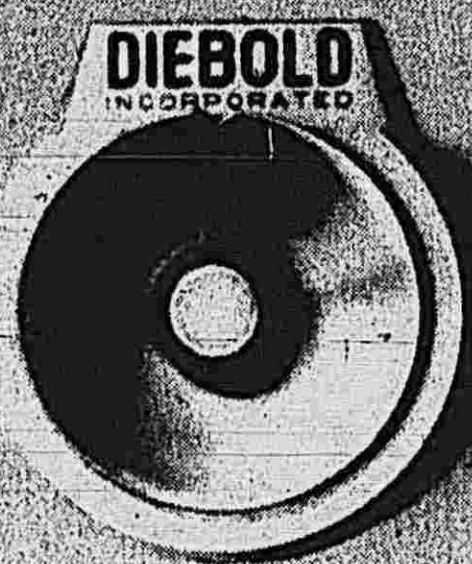

CAMP DIRECTOR this year will be Wendy Maston of Round Lake.

Information on enrollment may be obtained by contacting the Lakeview Girl Scout Council in Libertyville at 367-5750.

A Better Way To Save...

Making good things happen.

Your Best Investment!

Over the past ten years, the best investments for most investors have been their homes and their investments in high yielding certificates of deposit with a savings & loan association. You probably know how much your home value has increased. But, do you know how your deposits at Antioch Savings have grown as compared to other forms of investment? For example, earnings on Antioch Savings' longest term CD's have almost always out performed the return received on the market average for industrial, transportation, or utility stocks over that term. Also, you should be aware that those stocks were worth less than their original purchase price more than fifty per cent of the time. At Antioch Savings, your funds are continually growing at high interest rates and are insured to \$40,000 by the Federal Savings & Loan Insurance Corporation. Doesn't it make sense to invest your funds at Antioch Savings?

New Passbook 5 1/2% Rate

Now your funds will grow faster than ever before in an Antioch Savings Passbook Account. Beginning July 1, Antioch Savings is offering 5 1/2% on its Passbook Account! That's the highest rate ever paid on passbook savings in history!

New 4 Year CD & More

Beginning July 1, we're offering a new "4 year" Money Market CD which is tied to the average four year yield on U.S. Treasury Securities (1% below). Also, you'll be pleased to know that the minimum amount required to open any Antioch Savings Certificate Account (except 6 mo. Money Market CD) has been reduced to \$500. Drop by or call for important details.

Is Cable TV in Antioch's future?

Information about a cable television system was presented to village trustees on the Permits, Planning and Zoning Committee.

The committee will discuss the proposal with the full village board before action is taken.

Explaining the program were representatives of Lakes Cable TV, of Evanston.

The first cable service in the area is expected to be installed in about one month.

THE SYSTEM includes 36 cable channels plus an emergency alert service for disaster warnings, which will be operated in

cooperation with local authorities.

Optional programs include Home Box Office for 64 hours of first run movies, sports and entertainment each week. A stereo FM service with 22 channels is also available.

Stations from Chicago, Milwaukee and Rockford will be received with no need for an antenna, said William Kepper, president of Lakes Cable TV.

Atlanta, New York and west coast "superstations" will also be transmitted to subscribers.

ONE CHANNEL will have live news casts

24 hours a day. Others will have weather, radar and live or taped-live sports events, also 24 hours a day.

One channel will provide a continuous cable TV guide.

A children's channel will provide 13 hours of "original and fresh material" daily for children and teenagers, Kepper said.

The cost for the cable system is \$9.50 per month, with the Home Box Office option adding \$8.50 and the FM stereo option adding \$2.

INSTALLATION CHARGES are \$20 for the

initial installation with \$10 for a second set. Twenty-five dollars will be charged if both are installed at the same time.

"There will be no cost to the village itself," Kepper said.

Rates can change periodically, said Kenneth B. Everett, director of Lakes Cable TV.

There will be no minimum length of time subscribers must keep the service, Everett added.

Plans include installing an earth station on Rte. 120. This station will receive programs via satellite.

Horton celebrates 90 years

An open house is being held to honor Mrs. Earl Horton on her 90th birthday.

The family wishes to invite her friends to help her celebrate.

The open house will be held at Mrs. Horton's home on North Ave. on Sunday, July 1 from 2 p.m. to 5 p.m. It is the second house west of North Ave. on Rte. 83.

Your personal visit is a gift of friendship. We respectfully request no other.

The Time Machine

50 YEARS AGO: JUNE 27, 1929

With the assurance from Governor Emmerson that state highway No. 173 is to be built soon, active work on right-of-way in Lake County has been in progress this week.

Urging support for the Antioch dairy plant, and assuring producers of an ever increasing market for a quality product in the Chicago district, A.M. Krah, former pastor of the local Methodist Church, but now director of publicity for the Pure Milk Assn. made the principal address before an audience of 40 dairymen and business men.

Antioch's library will be closed until further notice. All persons having books from the shelves are asked to return them immediately to Mrs. W.H. Regan, library chairman of the Antioch Woman's Club.

Get your fireworks for the Fourth of July at the North End Grocery.

Nineteen boys and girls, graduates from Millburn School in 1927, 1928 and 1929 were given a pleasant day last Wednesday when Miss Madlyn Sheehan, teacher took them to Lake Geneva. A picnic supper was furnished by Miss Sheehan.

Mr. and Mrs. Hennessy and Mr. and Mrs. J. Grant Britton of Fox Lake motored to Antioch to a show Monday evening.

The Rosecrans Ladies' Aid society has decided to serve the Fourth of July dinner in the Ames Grove as usual. The women are purchasing extra chickens so there will be plenty of chicken dinner. A five-piece orchestra from Chicago will furnish the music.

Farmers commenced haying in this locality.

30 YEARS AGO: JUNE 23, 1949

A new recreational venture, in the establishment of a permanent "kiddieland" at Lake Villa, on Grand Ave., near the Soo Line Railroad, seems destined to prove a lot of fun for youngsters all over the county.

The forty-first semi-annual spring golf tournament of the Building Material, Coal and Lumber Dealers Association was held at Chain O' Lakes Country Club Thursday, June 16.

A \$255,000 bond issue to provide an eight-room addition to the Lake Villa School was approved in an election in that district.

The Prairie Ramblers, famous W.L.S. quartet will lead the entertainment program at the fourth annual city-farm picnic to be held at Gages Lake picnic grounds Wednesday, July 13.

The Lakeland Players, Antioch's own little theatre group, will present their summer production at the Lake Villa school auditorium Friday and Saturday evenings. "On the Bridge at Midnight" has been chosen by the playreading committee and Tom Burns has been appointed director.

10 YEARS AGO: JUNE 26, 1969

The true American Circus, complete with big top, wild animals, flying fanners, sawdust and pink lemonade is coming to Antioch. The Sell and Gray Three Ring Circus will make its appearance July 13 on Rte. 173 near the Ford Garage.

In August of this year, the Marvin Toepper family of Windsor Drive, Antioch is eagerly anticipating the arrival of a new member to the family. Antioch High School will have a foreign exchange student this coming school year, he is Pratchya Rokchartchareon from Thailand.

Colleen Gross, Miss Lake Region, will compete in the Miss Illinois Pageant in Aurora.

From Annie Mae — Hope you heard our editor Floyd Thoms on WKRS Viewpoint program last Thursday. Subject was pornography.

Despite the strict law regulating the sale of dangerous fire works in Illinois, the illegal sale of bootlegged fireworks is still a menace warns the Illinois Society for the Prevention of Blindness.

Use good horse sense when mounting, riding

If your recreational interests are galloping in the direction of horseback riding Mark Russell encourages you to learn the basic rules of mounting and riding.

Russell, University of Illinois Extension horse specialist, says you should always mount from the left side of the horse and do not mount near fences, trees or overhanging projections.

FACING THE REAR, mount in a smooth continuous motion, he says. This way, your feet won't slip from the stirrup if the horse moves while you're mounting. Then ease your body into the saddle and slip the right foot into the stirrup without kicking the horse's side.

Russell also has these tips on riding:

Sit straight in the saddle. If you lean forward over the horse's front legs, the horse can throw you more easily.

Keep your knees close to the horse, put the ball of your foot on the stirrup plate and keep your heel lower than your toes. Always wear boots with enough heel to keep your feet from slipping through the stirrup. Otherwise, if you fall off the horse, your foot or leg can get caught in the stirrup.

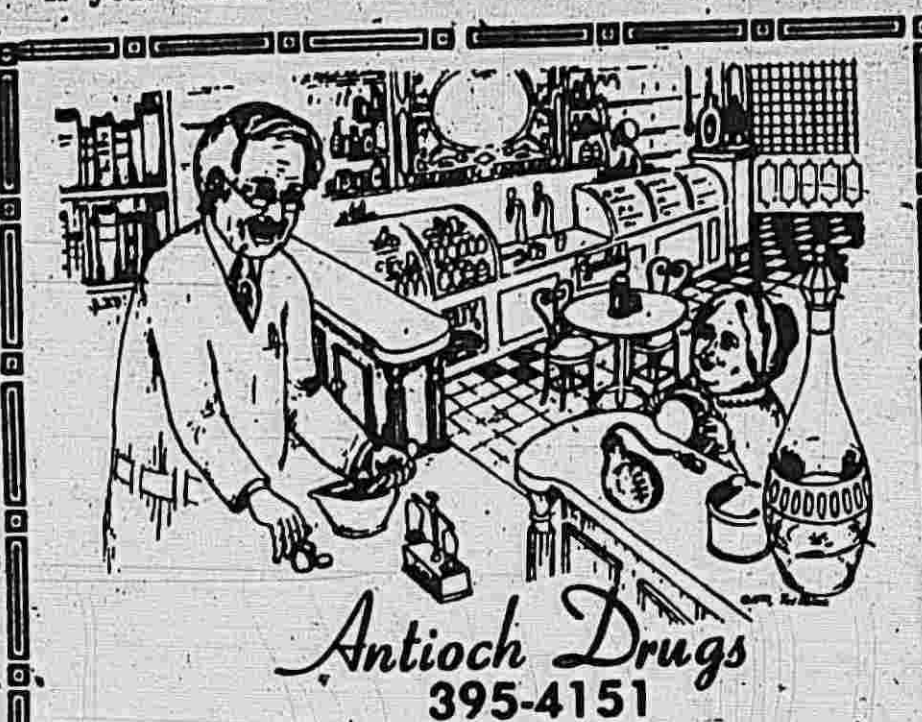

ON TRAILS, keep to the right and pass on the left.

Do not get too close to the horse in front. Russell advises maintaining a space of one horse length between animals.

Beware of low branches or other obstructions that can knock you off your horse.

Walk your horse up and down steep slopes.

If your horse is startled and tries to run, turn him in a circle and tighten the circle until he stops.

By Don Mendrala

SUNSCREENS

Exposure to the sun can cause both acute and chronic adverse effects on the skin. The acute effect is sunburn, longterm effects include wrinkling, "aging", and pigment alterations.

Sunscreen Agents

Sunscreens are available without a prescription. The most widely used sunscreens are para-aminobenzoic acid (PABA), and related compounds. Opaque formulations are also used but are often considered cosmetically unacceptable, these include titanium dioxide, talc, and zinc oxide. These are physical sunscreens that keep the sun's radiation from reaching the skin. They are most commonly used for limited areas that are vulnerable to the skin such as the nose or lips.

Substantivity

The ability of a sunscreen to remain effective under the stress of prolonged exercise, sweating, and swimming is called its "substantivity"; this property appears to be a function of both the absorbing agent and the vehicle.

Whatever sunscreen is used the patient should be instructed to apply it, when possible, one or two hours before exposure to the sun, and to reapply it generously several times during exposure, particularly after swimming or sweating.

Sun Protection Factor (SPF)

Manufacturers of commercial sunscreens will probably soon be required to specify the "Sun Protection Factor" of their products on the label; some already provide this information. The SPF value is the ratio of the time required to produce redness through a sunscreen product to the time required to produce the same amount of redness without the sunscreen. The SPF value usually ranges from 2 (minimal) to 15 (super protection).

Skin Types and Tolerance to Sunlight

Tolerance to sunlight can roughly be categorized as follows: Skin Type I always burns easily, never tans; skin type II usually burns easily, tans minimally; skin type III burns moderately, tans gradually; skin type IV burns minimally, tans readily. People with skin types I and II will exceed their sunburn threshold tolerance in 10 to 20 minutes of noontime temperate summer sunlight, while persons with skin type IV may not become red even after 45 minutes or more. Avoiding exposure to the sun is more effective than any sunscreen in preventing sunburn.

Some Common Myths

Neither true sunscreens or "suntan lotions" promote tanning. Sunscreens protect against sunburn; mineral oils, emollients, and baby oils lubricate and even change the optical properties of the skin, but do not protect from sunburn or promote suntan. Agents such as Coppertone QT contain a colorless compound that reacts with the skin to form a yellow-brown-orange hue; this coloring can last for days or weeks but probably provides little protection against sunburn.

On a bright day with thin cloud cover, it is possible to receive 60 to 80 per cent of the amount of ultraviolet radiation that is present on a clear day. In addition scattered radiation strikes the skin surface.

Robel returns to form in Wilmot super-mods

Defending Champion Bob Robel, Oconomowoc won the Saturday night 25 laps super modified stock car feature at the Kenosha County Speedway.

In winning he came back from a three car heat race crash that sidelined his car and that of fast time qualifier John Tierney.

The accident was triggered in the fourth turn when Dave Bliss spun with Robel hitting Bliss and Tierney flipping up and over Robel's car and into the infield back on its wheels.

Drivers were not injured but the Tierney super had heavy damage.

However, mechanics from several other cars brought parts and assisted in the repair of everything but the

wing and Tierney ran the feature to finish 10th.

Rick Schmidt has been up to second on the fifth lap but spun facing the entire field. Luck held out and all missed him.

On lap nine Terry Illyess and Sam Spitz spun together and brought out the second yellow flag restart.

Roger Schmitz had been the leader but on this restart, Robel took over with Bill Kojis, Joe Kristan, Dick Colburn and Jim Moulis rounding out the top five at the finish.

Glen Deswayen won the 15 lap semi-feature and a 10 lap heat race. Other heats were won by Colburn and Schmidt.

The modified stock cars, an economy class super, raced with the supers in the

semi-feature but were scored and paid separately with Jeff Taylor the winner. Earlier he had won the modified six lap heat race.

Sid Norton won his second feature of the season in late model sportsman stock car racing as he held off first Ken Zeisse and then point leader Jim Zwirgdsas.

On a restart, Zwirgdsas slipped back to third and could not recover on the slick speedway.

Heats were won by Sid Norton, Jerry Heywood and Jeff Hutchinson who also won the first heat.

Spectator stock car action saw a new feature race winner, Johnny Schroeder take the flag as well as cop a heat race win.

The other heat race was won by Odess Dimopoulos.

Holiday racing slated at Waukegan Speedway

Three big nights of racing are planned at the Waukegan Speedway during the Independence Day holiday period.

Saturday, June 30 drops the green flag with late models in a 25-lap feature, hobby stocks and the ever popular Beat Your Neighbor racing.

Sunday, July 1 will feature the return of the alcohol guzzling winged super-modifieds.

In their last appearance on May 28, Joe Kristan of Waukegan set a four-lap dash record with a 1:01.68 and then came back to win the 30-lap feature.

Tuesday, July 3 will feature the late model 50-lap Mid-season Championship with the main event winner receiving \$500. Also running will be the hobby stocks.

July 4 will be a raindate for the July 3 show which will have the regular Speedway rules including no engine setback and 8 1/2 inch tires in effect.

Gates open Saturday at 6 p.m. with qualifying at 7 and racing at 8. Sunday and Tuesday, gates open at 5 with qualifying at 6 and racing at 7.

Coming Thursday, Aug. 2, the nationally famous Joie Chitwood Greatest Show On Wheels thrill show.

The track is located one-quarter mile east of Rte. 41 on Washington St. in

Waukegan. Track/weather information phone (312) 662-8200.

Wolves back at Dug Out

Last year's Firecracker Tourney Champions will return to defend their title in the Dug Out Park's 16" softball tournament June 30, July 1, 7 and 8.

The Wolves face the Dug Out All-Stars at 2 pm Saturday in the opening round.

The Wolves are considered one of the best teams in the Chicagoland area and the All-Stars are made up of the best players in the Trevor area.

Over 20 teams have entered and approximately 25 total are expected.

The top 10 Chicago area teams are participating in the tournament which still has limited openings.

Play Saturday will run from 9 am until midnight and Sunday games run from 9 am until 10 pm.

The championship will be June 8 at 5 pm.

For further information or to enter, contact Tom Furlan at 414-862-9136 or 312-395-5788.

Waukegan plans Challenge

The Waukegan Speedway will host two more Midwest Late Model Stock Car Challenges during the next two months.

Challenge II will be Friday, July 20 with rain date of July 27.

Challenge III will be Friday, August 10 with a raindate of August 17.

Both races will have \$7,000 total purses and include a 50-lap late model feature, dash, heats, semi and a consy in addition to hobby stocks.

The late models will be open competition with a 12 1/2

inch tire maximum and \$1,000 will go to the feature race winner in both events.

Two track records were set in Challenge I with Tony Izzo, "the king of clay" shattering the one-lap qualifying mark with a :16.12.

Carl Schultz, winner of the 50-lapper, set 10-lap heat race mark with a time of 2:50.49.

Both drivers are expected to return along with two-time defending Waukegan Champion Don Collins, current point-leader Ron Shearer, Whitey Harris, Lit-

tle John Provevzano, six-time Renselear Speedway Champion Dick Potts, Mike Melius, Bill Strom, LeRoy Schneldermann and many more drivers from throughout the Midwest.

Gates open both nights at 5 with qualifying at 6:30 and racing beginning at 8 o'clock sharp.

Waukegan Speedway is located one-quarter mile east of Rte. 41 on Washington St. in Waukegan. For the latest track weather or information, phone (312) 662-8200.

Faces In The Crowd...Antioch Little League

Watch this space every week for The Antioch News "Faces In The Crowd", the popular Little League feature where fans can win prizes from Antioch merchants if they are pictured by The Antioch News photographer. Will you be photographed? Remember, you have to come in to The News office and identify yourself to win.

Results

Cardinals will play either the Dodgers or the Tigers for the Little League Championship this year.

The Cardinals defeated division rival Orioles 5-1 to clinch first place in their division last Friday.

The Dodgers clinched at least a tie with a win over the Astros Monday night 12-4.

The Tigers must defeat the Dodgers Thursday and the Yankees next week to force a playoff.

Rod Volling is swinging a hot bat for the Giants. Volling hit his second inside-the-park home run of the season last week against the Yankees. Then he belted two triples versus the Orioles to lead his team to a 13-7 win Monday.

Your Guide to Fine Dining and Excellent Entertainment

THE Entertainer

Antioch resident stars in musical

Antioch resident, Patricia Jamison, who plays Lady Thiang in the heralded Jeff nominated hit musical "The King and I" now in its final weeks at Candlelight Dinner Playhouse through Sunday, July 29 has become a favorite among the theater's audiences.

"The King and I" will be followed on Wednesday, August 1 with "Gypsy."

Ms. Jamison will be remembered for her portrayals at Candlelight of Fraulein Schneider in "Cabaret"; Mother Abbess in the revival of "The Sound of Music" and Domina in "A Funny Thing Happened on the Way to the Forum."

Ms. Jamison's credits extend to Broadway where she was the understudy to Kay Medford in "Bye, Bye Birdie" and toured the country for one year as the understudy to Imogene Coca in "Once Upon A Mattress."

Her numerous other roles include both musical and dramatic parts and range from Golde in "Fiddler on the Roof" the Queen Eleanor in "Lion in Winter" for which she was the recipient of the Hunley Award for these two roles.

In addition, she appeared in "Carousel," "Damn Yankees," "Showboat," "Music Man," "Die Fledermaus," "West Side Story," "Paint Your Wagon," "Blithe Spirit," "Dial M For Murder," and "Another Part of the Forest," just to name a few.

She was seen too in the Hollywood television series "Pace of Beauty."

Be among the thousands who have seen Ms. Jamison and the heralded cast of Candlelight's "The King and I."

For reservations to all remaining performances of "The King and I" as well as to the upcoming musical "Gypsy," telephone Candlelight's box office, 458-7373 or visit or write Candlelight's box office, 5620 So. Harlem Ave., Summit, Ill. 60501.

FFF Center events listed

The members of the Antioch-Fun, Food, and Friendship Senior Center are enjoying their summer headquarters at the Antioch Upper Grade, 800 Highview.

The center, a program of Catholic Charities, welcomes everyone 60 years old and over, with spouses of any age.

The telephone number is 395-1907. The Center is opened Monday through Friday from 9 a.m. until 2:30 p.m. Meals are served daily at noon. For transportation, call the Chain of Lakes Senior Services 24 hours in advance, at 395-5162. "When you make a donation for transportation, please consider the rising cost of gas,"

a spokesman said.

The following are activities that are scheduled for the week of June 29 through July 5:

Friday, June 29, 12:45 p.m. — birthday party
Monday, July 2, 12:45 p.m. — planning meeting.

Tuesday, July 3, Come work on crafts, many materials are available. During June's planning meeting it was decided to make things to sell to help pay for Bingo prizes and morning coffee. Play pool, ping pong, dice or cards.

Wednesday, July 4, Legal holiday, Center closed.

Thursday, July 5, same schedule as Tuesday.

Magic show set at PM&L Theatre

PM&L Theatre will present "The Tom Hubbard Magic Show" at PM&L Theatre, 887 Main St. Antioch.

There will be four performances: June 30 at 2 p.m. and 7 p.m. and July 1 at 2 p.m. and 7 p.m. ticket prices are \$1.25 for adults and 75 cents for students through high school.

Hubbard has practiced the fraudulent art of magic throughout much of his life.

He has published over 70 articles on his original magic and has lectured to other magicians on his material, most recently to a group in Chicago, showing several new, innovative tricks invented by him.

Tom is a psychotherapist and uses magic as a tool to help others express themselves more creatively.

The main event of the magic show will be The Floating Clown: a magic spectacular never before performed in Antioch. One real live clown will be floated on stage in front of everyone.

Show information is available at the regular PM&L reservations number, 395-3055. Reservations are not necessary.

Art winners exhibited

The Cooperative Extension Service Regional Town and Country Art Show opened this week in the Gallery of the Holmes Student Center on the Campus of Northern Illinois University in DeKalb.

The exhibits will be open for public viewing through June 29 from 9 a.m.-5 p.m.

The blue ribbon winners from Lake County include. Albert Dittman of Antioch.

DID YOU KNOW?

...that not all of baseball's greats have played up to their capabilities in All-Star Games?

Hard as it is to believe, Hall of Famer Mickey Mantle of the New York Yankees holds the record for striking out the most, 17 times in 16 games.

And that usual terror at the plate, Yankee Yogi Berra, another Hall of Famer, hit only .195 in all of his 15 All-Star appearances.

Every year's All-Star Game has its "heroes" and "goats."

The all-time hero was New York Giants lefthander Carl Hubbell, who struck out five American League sluggers in a row in the '34 All-Star Game. Players like Willie Mays of the New York and San Francisco Giants and New York Mets, Ted Williams of the Boston Red Sox, and Stan Musial of the St. Louis Cardinals always excelled.

Although the great Joe DiMaggio had his good and bad years with the All-Stars, another Yankee great, pitcher Red Ruffing, performed less than brilliantly in All-Star competition. Ruffing, with 273 career wins, gave up seven runs in seven innings in his three All-Star appearances.

Who will get the chance to be this year's "heroes" and "goats" when the game is played July 17 in Seattle? That's up to the fans who participate in a nationwide All-Star election underwritten by the Gillette Company's Safety Razor Division. Ballots are free at any major or minor league ballpark, or at stores featuring a Gillette All-Star display.

Swim team loses, but wins 8 events

The Antioch Swim Team opened the season with an A Team meet at Plum Grove on June 19.

As everyone connected with the team knows, Plum Grove is tough competition and though Antioch lost the meet, they did take first place in eight events: eight and under, Derek Wogsland, 25 yard free; 14 and under, Shelly Volling, 50 yard fly; 16 and under, Sue Harrison, 50 yard fly, 50 yard free, and 100 yard I.M.; Ted White, 50 yard fly; Jennifer Czapiewski, 50 yard back, and Ed Lannan, 50 yard free.

Ed, who is new to the team, also placed second in the 50 yard back.

Results of the B Team meet held on June 23 will be in the next issue since Saturday meets make it difficult to get the results together for the paper's deadline.

In the meantime, some important dates to keep in mind: July 11 from 1 to 8 team members and friends will be at the pool swimming laps to raise money in the annual Swim Marathon; August 5 at 9:00 the Antioch Invitational; August 7, Record Breaker and Party.

Seek support for Swim Marathon

The Antioch Swim Team involves about 90 young people ages 6-18 years who practice three to five times weekly and compete in over 15 meets each season, under the direction of Coach Marty Berry.

The team is a member of the Northwest Suburban Swim Conference sponsored

by the State Bank of Antioch. A and B Teams enable all swimmers to participate in Conference competition.

The Annual Swim Marathon in which members and friends swim laps sponsored by pledges per lap is the team's fund raiser. In previous years money raised was used to purchase a starting gun and stop watches for timing at meets.

Last year's big purchase was much needed, new starting blocks. The new blocks were installed Saturday, June 23, in time for the opening home meet against Plum Grove held later that day.

On July 11 from 1 to 8 everyone who cares to participate will plunge into the pool as part of the "Swim Marathon." Chairmen Karen and Rod White and Betsy Houghton will be

ready with volunteers to count laps, offer refreshments to hungry swimmers and encourage the weary to try just one more lap.

Swim Marathon day is tiring but lots of fun for everyone. The team members have some friendly

rivalry going as to who will swim the most and wind up egging on the others to catch up on laps. In addition to raising money for their team the young people get a chance to earn incentives like the 36 who got free team suits this year.

Theatre Looks for hags, bird

The Charlie Brown Players (formerly known as the Antioch Children's Theater) will be holding tryouts for the next show.

They begin Sunday, July 1, from 1 to 3 p.m. and Monday, July 2 from 7 - 9 p.m. at Trevor Grade School on Highway C near Jct. JF.

A large cast of all ages will be needed for the next show, including two old hags (witches), a five-foot bird, four foot mouse, ring master, prince, a turtle translator, acrobatic circus performers and plenty of other characters.

Take Rte. 83 North to JF and turn left to Hwy. C to get to Trevor Grade School.

PRISON SENTENCE

Larry B. McGaffey received a five year prison sentence for setting a fire that destroyed the One Mile Inn tavern in Bristol in February. McGaffey, of Lake Villa, was found guilty of an arson charge after a two day jury trial in May. He will serve his sentence in Waupun state prison.

AQUARIUS

(January 20 - February 18) There are definite changes ahead for those who are willing to give up ideas of grandeur and accept a strict regime of work and play.

PISCES

(February 19 - March 20) Deep, restful sleep and relaxation can help to erase those premature age marks on your face (and those embedded in your psyche).

ARIES

(March 21 - April 21) Joint finances are spotlighted, but use caution and foresight to avoid self-deception or impulsive expediency.

TAURUS

(April 22 - May 21) Whatever your field of interest, this is a good period for you, no matter what your age or present monetary standing.

GEMINI

(May 22 - June 21) Long-distance travel is favored for many. Take your camera along—there will be many picturesque places to photograph.

CANCER

(June 22 - July 23) A greater involvement with the general public seems to be of utmost importance this month.

LEO

(July 24 - August 23) If assistance is needed, you will find the right kind of help in your immediate environment.

VIRGO

(August 24 - September 23) This is a good period in which to catch up on reading and some favorite television programs.

LIBRA

(September 24 - October 22) Good news comes through the mail for some who are expecting cash rewards of some kind.

SCORPIO

(October 23 - November 22) Those who have been estranged from a mate may want to make up. Your differences could be ironed out by a third party.

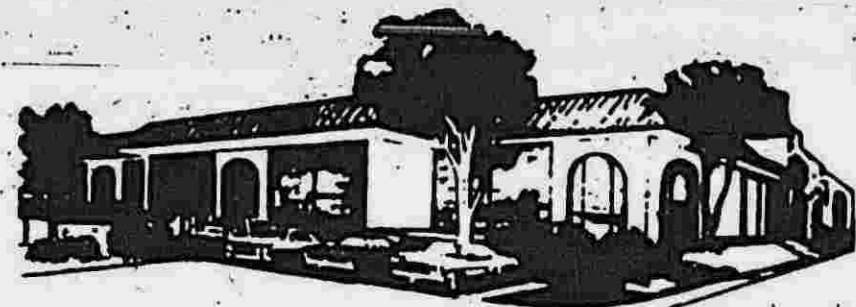

SAGITTARIUS

(November 23 - December 22) Don't give in to a desire to be the life of the party if you want to hold on to your mate.

CAPRICORN

(December 23 - January 19) Past hurts and disappointments tend to disappear now, making room for peace and happiness.

Dan Dugenske praised at paramedic graduation

Twenty-six paramedics, three of them women, who successfully completed the Advanced Emergency Medical Technician Training Program received their certificates at a graduation ceremony held at Victory Memorial Hospital in Waukegan.

Special recognition awards went to Dan Dugenske of Antioch and Richard Niemi, former fire chief in Waukegan.

DUGENSKE spearheaded the paramedic program with the Antioch Rescue Squad while Niemi was so convinced the community

needed this life-saving service that he became a paramedic himself.

In presenting engraved plaques to Dugenske and Niemi, Dr. John P. Freeland, director of the Emergency Medical Service/Mobile Intensive Care Unit at Victory Memorial, said the Antioch Rescue Squad was the first operating paramedic unit in the state.

The ceremony honoring the most recent graduates turned into a tribute to Dr. Freeland.

Hospital Administrator Donald Wasson said

Freeland was hospitalized with a back problem several years ago when he was visited by Dugenske and another fireman familiar with cardiac units operating in Seattle, Wash. under a pilot program, one of the first in the U.S.

Dr. Freeland responded to their request to set up a unit and began teaching treatment of cardiac patients. Dugenske said, "Dr. Freeland put it together."

Niemi told the audience, "Waukegan wouldn't have a paramedic program without Dr. Freeland and there are 27 people walking around

today who otherwise would probably be dead had it not been for the Mobile Intensive Care/Paramedic Program. Not many doctors would stick out their necks for a program like he did, and we now have one of the finest units in the state."

THE GRADUATES are: Michael Culat, William Georgeson, Kenneth Larson and Timothy Osmond, Antioch Rescue Squad; Phillip Haisler, Paul Tierney and Joseph Wiesner Jr., Buffalo Grove Fire Dept.; Raeann Koenig, John E. Ludford Sr., John E. Ludford Jr. and Robert Salazar, Lake Villa

Rescue Squad; Mary Jo Jedlicka, Lake Zurich Rescue; William Ames and Richard Neal, Newport Fire Dept.; Alex Kyle and William Swift, Round Lake Fire Dept.; John Michael Miller, Salata Ambulance Service; Edward Loscar,

Robert Olech, Diane Rutledge, and Steven Swanson, Safe-Way Ambulance Service; Robert Gilmore, Robert Guerin, Michael Klockenbrink, Richard Meeker and Michael Weiland of Zion Rescue Squad.

Developer explains CABL subdivision

Plans for the CABL properties were discussed by the president of the corporation developing the land.

The 187 acres known as the Tiffany North subdivision will have 440 single family and 220 multiple family lots.

FOUR HUNDRED UNITS could be placed on the multiple family lots according to the amount of land, but the developer is concerned with saving trees in the area, said Robert Campbell, president of the Land Investment and Development Corp.

There will be eight multiple family lots with eight dwellings on each.

Population figures for the project estimate that 2,367 people will live in the entire development.

In single family dwellings there will be about 872 adults and 804 children.

MULTIPLE FAMILY DWELLING figures include approximately 525 adults and 165 children.

Campbell described the subdivision as "open," and said people will be able to have any builder construct a home on the land.

Restrictive covenants which would not permit duplicate houses to be next to one another or across the street will be made, he said.

The subdivision is opening up the west side of town, Campbell said.

AN ASTRONOMICAL AMOUNT of money must be spent to install approximately 2,000 feet of water mains down North Ave. and Tiffany Rd.

A water main must also run from the subdivision to the school, he added. The developer is doing this as "a service to the village," he said.

A sanitary sewer extension is also planned to

bring sewage to the subdivision, he said. A lift station will also be added and will be over sized so future subdivisions can use it, Campbell said.

THE DEVELOPER ALSO dedicated and is assisting in the relocation of Sequoit Creek to minimize flooding, he said.

"We are trying to cooperate with the village," he said. "We have agreed that if the village requires a water tower (for the subdivision) we will make such a dedication."

Ten acres of the land will be dedicated for school purposes, Campbell said.

In a proposal to the village board a few weeks ago Campbell suggested part of the school land include some of the Sequoit Creek bed.

He said that he has been "led to believe the school is interested in the old creek bed."

Extend truck deadline

The deadline for display of Illinois truck and trailer plates has been extended to midnight, Saturday, July 21, Secretary of State Alan J. Dixon said.

Second division vehicles requiring the new black on yellow plates for fiscal year 1979-80 include farm trucks, trucks, tractors, semi-trailers and trailers. Mileage tax truck and trailer plates cannot be extended under existing law and that deadline remains Saturday, June 30.

Truck and trailer plates are being sold at 566 financial institutions throughout Illinois, as well as at major Secretary of State facilities.

Secretary Dixon said that the public service center at the Centennial Building and the Dirksen Parkway facility drive-in windows in Springfield, and three motor vehicle facilities in Chicago will be open Saturday, July 21 for last minute plate purchasers.

Secretary Dixon said this will be the last year a deadline extension will be allowed for truck and trailer plates.

"It's only fair that we give the same break to farmers and truckers. But this will be the last extension for either passenger autos or trucks, because the 1980 renewal program under the multi-year, staggered registration system does not provide for any legal extensions."

Veterans schedule poppy day

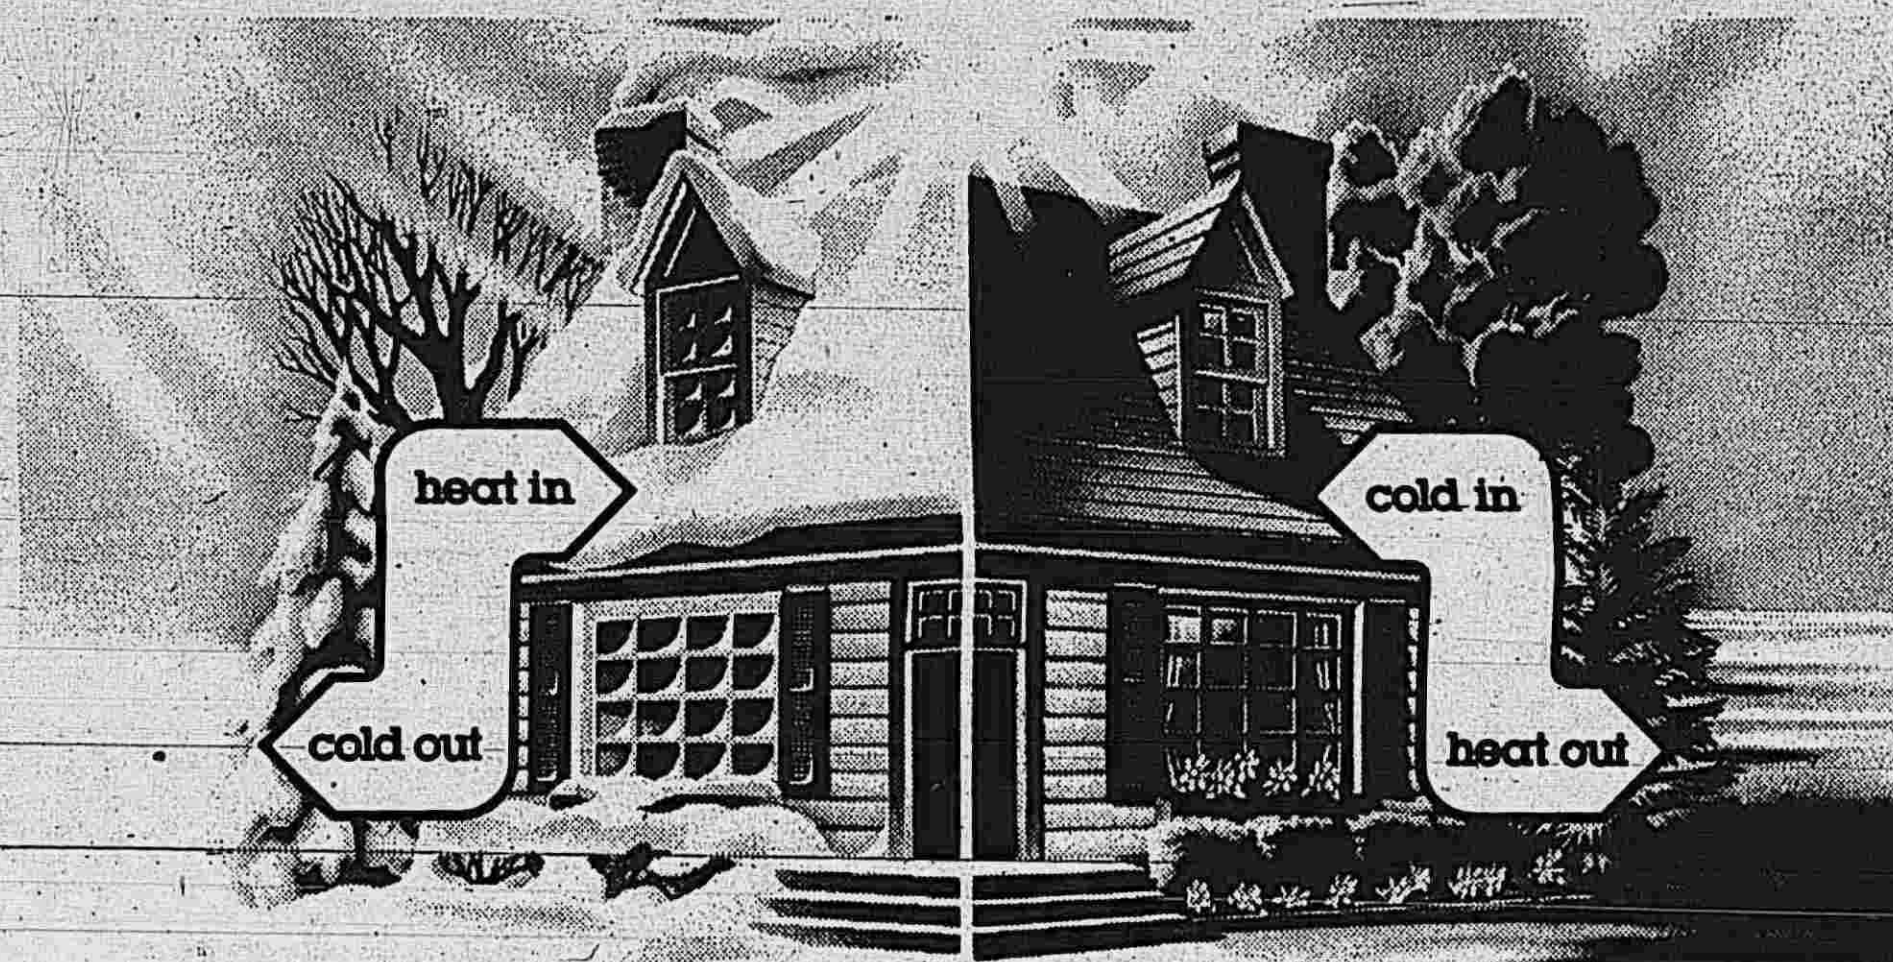

Buddy Poppy Day for Veterans of Foreign Wars in Antioch is July 6 and 7. Men and women will donate their time to sell the buddy poppies which are made by veterans in hospitals and other institutions.

All proceeds collected go right back to the veterans. Your generous support in this worthwhile program is most appreciated.

ACHS GIRL ATHLETES HONORED BY LIONS — Antioch Lions Club held their annual Athletic Awards Banquet to honor all athletes at school. Chosen as MVP girl athletes were, from left, front row; Tracy

Manual, Barrie Kovach, and Carrie Corso. Back row: Lion Tom Haley, Debbie Sieben, Jill Lavoe, Janet McMurray, Jeanne Venn and speaker, Northwestern Varsity Football Coach Rick Venturi.

Turn your home into an energy conservation machine. With a heat pump.

Instead of burning scarce fuels, the heat pump uses electricity to capture heat from a limitless energy source. The sun.

Even on cloudy, cold winter days, there's still solar heat in the air. The heat pump captures this heat and pumps it to where it can be used.

It's the most practical, efficient heating and cooling system you can install today. And it's dramatically changing the way we use energy.

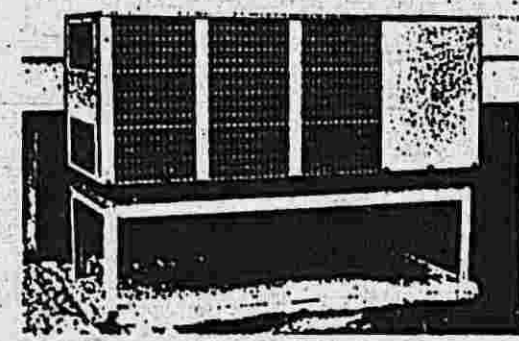

Turns heat energy outside in and inside out.

The same principle that makes the heat pump work is already at work in your home inside your refrigerator. In fact, a heat pump is a lot like a refrigerator.

There's an indoor unit that consists of a coil and fan. There's an outdoor unit that consists of a coil, fan and compressor. Piping connects them. Inside the system, a refrigerant circulates, "carrying" the heat from inside out and outside in.

In winter, the refrigerant in the outdoor coil absorbs solar heat, is compressed and pumped inside. The heat comes out to keep you warm.

The warmer the outdoor temperature, the more heat there is to be transferred

The energy-smart heat pump is installed on the outside of the home and is about the same size as a conventional central air conditioning unit.

But as the temperature goes down, there's less heat available. The heat pump is then automatically supplemented with electric resistance heaters.

In summer, the process is reversed. Warm air inside the home is blown over the indoor coil. The refrigerant absorbs this heat, is pumped outside, then condensed. The heat comes out, leaving you cool. And the unit filters the air and dehumidifies, too.

Commonwealth Edison
Working for you.

Produces more energy than it uses.

Unlike systems that merely use up energy to make heat, the heat pump uses electricity to produce more energy than it uses. Over the entire winter season, a heat pump plus the supplemental heaters provide at least 1.5 units of heat energy for every equivalent unit of electricity used. It's this extra energy bonus that makes the heat pump a smart investment.

The initial cost is a little higher. But the operating cost is lower. So in the long run, the heat pump can help save.

How to get one.

You can often replace your present forced air system with a heat pump. Installing a heat pump in a new home is even easier.

Either way, it's important to get a quality product and have it properly installed and serviced. See the listing below.

If you'd like to know more, call your local Commonwealth Edison office and ask for our consumer information booklet on electric heat pumps. Our marketing engineers will be glad to talk to you about your plans.

Eye clinic planned for Antioch

Robert L. Epstein, M.D., eye physician and surgeon will be opening the Westlake Eye Clinic, Rte. 59, Ingleside, July 1, as part of the Westlake Clinic.

Dr. Epstein, a graduate of the University of Maryland (B.S.), Polytechnic of New York (M.S.), and College of Medicine and Dentistry of New Jersey (M.D.), served his internship at the University of Illinois Hospital in internal medicine and his residency at the University of Illinois Eye and Ear Infirmary in ophthalmology.

Prior to attending medical school, Dr. Epstein worked at Bell Telephone Laboratories as a computer systems engineer.

Dr. Epstein will continue his faculty position at the University of Illinois in charge of a clinic for patients with cataract surgery and intraocular lens implantation.

The Westlake Eye Clinic will be a center for area doctors to refer medical and surgical eye problems as well as a clinic for general eye care and contact lens fitting.

Dr. Epstein, a resident of Lake Villa, also plans to open an eye clinic in the Antioch area.

Inheritance legislation proposed by Berning

Senator Karl Berning (R-Deerfield), has proposed legislation increasing the time in which Illinois inheritance taxes can be paid, a measure designed to prevent heirs from having to sell family farms and businesses in order to pay the taxes.

The proposal, embodied in an amendment to House Bill 530, would allow Illinois inheritance taxes to be paid in ten equal annual installments, as is currently allowed for federal estate taxes.

Payment could be deferred for the first five years, thus giving a total of 15 years in which to pay the taxes.

"Too often, the survivors of farmers or small family businessmen are forced to sell their farms and

businesses to pay inheritance taxes. They have no liquid assets because their worth is tied up in the business.

"My amendment would allow these survivors time to pay the taxes without having to part with their income source. A change like this is long overdue. The intent of the law was never to unduly penalize people. If taxes must be imposed, they must be able to be collected reasonably," Berning said.

Both the state treasurer and attorney general support the proposal. House Bill 530 is now at the amendment stage in the state Senate.

AARP OFFICERS — Officers for Antioch Chapter of AARP for 1979-80 include, from left, front row: Secretary, Helen Halka; Vice President, Dolly Spiering; President, Esther Aiani, and Board Member,

Frances Winiecki. Back row: Board Member, Bill Tomasik and Second Vice President, John Wenclawski. Treasurer Mae Keefer was not available for picture. — Photo by Nancy Poulter.

"Get LUMBER-SCAPING."

by Sam Kilman
The Outdoor Woodsman

"It's done with beautiful, easy-working, long-lasting Outdoor® Wood.

It's maintenance-free fences, walkways, planters and benches.

And summer houses for all seasons.

And decks, patios, or porches that never need painting.

Getting started is as easy as getting down to your lumber dealer's for my free Outdoor Woodsman building plans. And, of course, the Outdoor Wood you'll need to build 'em.

Outdoor Wood is the ideal wood for anything you build out-of-doors. It's deep pressure-treated with Wolman® preservatives to protect itself against rot and termites. For a lifetime.

You can stain or paint it, if you want to. But, if you don't want to, the wood will weather to a natural gray that blends in beautifully with your landscaping.

That's lumber-scaping. And that's living."

"Get the real thing. Be sure the lumber you buy is stamped 'Outdoor Wood'."

Atty. General frowns on nuke fuel storage

Illinois Attorney General William J. Scott has demanded that the United States Nuclear Regulatory Commission reject a Commonwealth Edison Company request to triple the storage capacity for radioactive waste fuel rods at the Zion Nuclear Power plant.

There already is over 200 tons of high-level nuclear fuel rods stored at Zion. Commonwealth Edison, which operates the plant, has asked the Commission for permission to increase its storage capacity to almost 1,000 tons.

"IT WAS A fundamental mistake to allow the Zion Nuclear plant to be built on the shores of Lake Michigan, less than 50 miles of Chicago's Loop," Scott said. "Allowing the plant to store these deadly contaminants compounds that error and certainly allowing more of these materials to be put in the storage pools at Zion would be insanity."

Scott argued that the potential hazard associated with nuclear waste storage was too great to allow the request to be seriously considered.

"No one knows what these fuel rods will do. The proposal calls for putting these highly radioactive rods in a compact storage area and hoping nothing goes wrong. Maybe it won't. But can we afford to take the chance? I don't think we can," Scott said. "Not only does this storage represent a threat to Chicago and all of Northern Illinois and Southern Wisconsin, but it also threatens Lake Michigan, a resource for several states and for the entire nation. We cannot allow even a remote possibility of nuclear pollution to jeopardize that Lake or the millions of people who depend upon it."

SCOTT EXPLAINED that the threat to the Lake and the people who live adjacent

to it has led to his fight against the proposed Bailly Nuclear Power plant at Burns Harbor, Indiana. "The federal government should not allow another nuclear plant on Lake Michigan. The NRC is already playing Russian Roulette with the health and lives of over seven million people. Why increase the danger by adding more ammunition?"

Scott intervened in the Zion storage request last summer, saying the proposed activity represents a substantial risk to the State of Illinois and its people. In addition to challenging the proposal on safety grounds, Scott expressed his concern about the ultimate disposition of the radioactive

waste. Scott says the proposal does not demonstrate that the company will be financially able to oversee the deadly contaminants

for the thousands of years they will remain deadly. Scott's remarks were delivered before the United States Nuclear Regulatory

Commission hearing officer at the Zion Beach Holiday Inn in Zion where public hearings are being held into the storage increase request.

OBITUARIES

Dorothy M. Haskamp

Funeral services for Dorothy M. Haskamp, 76, of Center Lake Woods, Trevor, were held June 27 at the Strang Funeral Home, Antioch.

Mrs. Haskamp died June 24 at Kenosha Memorial Hospital, Kenosha. She had lived in Trevor since 1969. She was a member of the Holy Name Church, Wilmet; Center Lake Woods Community Assn. and Center-Lake Woods Conservation Club. She was a payroll master for Goldblatt's in Hillside, Ill. for many years before retiring.

Survivors are one son, Jack of Oshkosh; two daughters, Mrs. Jane Carlson of Trevor and Mrs. Milton (Elaine) Koch of Antioch; and seven grandchildren. She was preceded in death by her husband, Anthony in 1972; and by one brother, John Silsbee.

Interment was in Holy Name Cemetery, Wilmet.

August F. Krahn

Funeral service, for August F. Krahn, 83, of Salem, will be held at 1:30 p.m., Thursday, June 28, at the Strang Funeral Home, Antioch.

Mr. Krahn died June 25 at Kenosha Memorial Hospital. He had lived in Kenosha County all his life. He was a farmer in Bristol and Salem Townships for many years.

Survivors are his widow, Ida; one son, Don of Salem; one daughter, Mrs. Robert (Arlene) Horton of Wilmet; three brothers, Edwin of Bristol, Louis of Kenosha and Charles of Kenosha; five sisters, Mrs. Martha Romie of Salem, Mrs. Rose Messmer of Salem, Mrs. Alma Mohn of Kenosha, Mrs. Anna Badtke of Kenosha and Mrs. Arthur (Florence) Hackbarth of Kenosha; five grandchildren; and eight great-grandchildren. He was preceded in death by four brothers, one sister and one granddaughter.

Interment will be in Liberty Cemetery, Trevor.

Kleffner Obtains Degree

Jeanne Kleffner Anderson graduated cum laude from Marycrest College in Davenport, Iowa.

Kleffner received a bachelor of arts degree in elementary education. She is the daughter of Mrs. Nancy J. Wheeler Kleffner, Lake Villa.

EARN HONORS

Doreen Kaye Wurster of Antioch earned academic honors during the spring semester at Eastern Illinois University, Charleston. She earned honors based on a grade point average of 3.50 to 3.74.

-LEGAL-

IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL COURT LAKE COUNTY, ILLINOIS PROBATE DIVISION IN THE MATTER OF THE WILL OF JAMES R. Dwyer, Deceased, File No. 79P-508

PUBLIC NOTICE is hereby given to the persons herein named and all whom it may concern that an instrument purporting to be the last Will of JAMES DWYER, deceased, has been filed in the office of the Clerk of the Circuit Court of Lake County, in the State of Illinois, together with the petition of Verna D. Boynton representing among other things that the names of all the heirs-at-law, devisees and the legatees of said deceased are as follows: Jack Foley, Unknown Address and praying that probate of said alleged Will be granted and that letters testamentary thereon may be granted to Verna D. Boynton, and that said instrument will be offered for probate and a hearing had on said petition by Circuit Court, Probate Division on the 17th day of July A.D. 1979 at 9:00 A.M. of said day in the room usually occupied by said court in the County Court House in the City of Waukegan, in said County, when and where you can appear, if you see fit, and show cause, if any you have, why said Will should not be admitted to probate.

Dated at Waukegan, Illinois, this 5th day of June, A.D. 1979.

Recreation classes formed

Antioch Parks and Recreation is holding adult conditioning classes Tuesday, Wednesday, and Thursday nights, from 7-9 p.m.

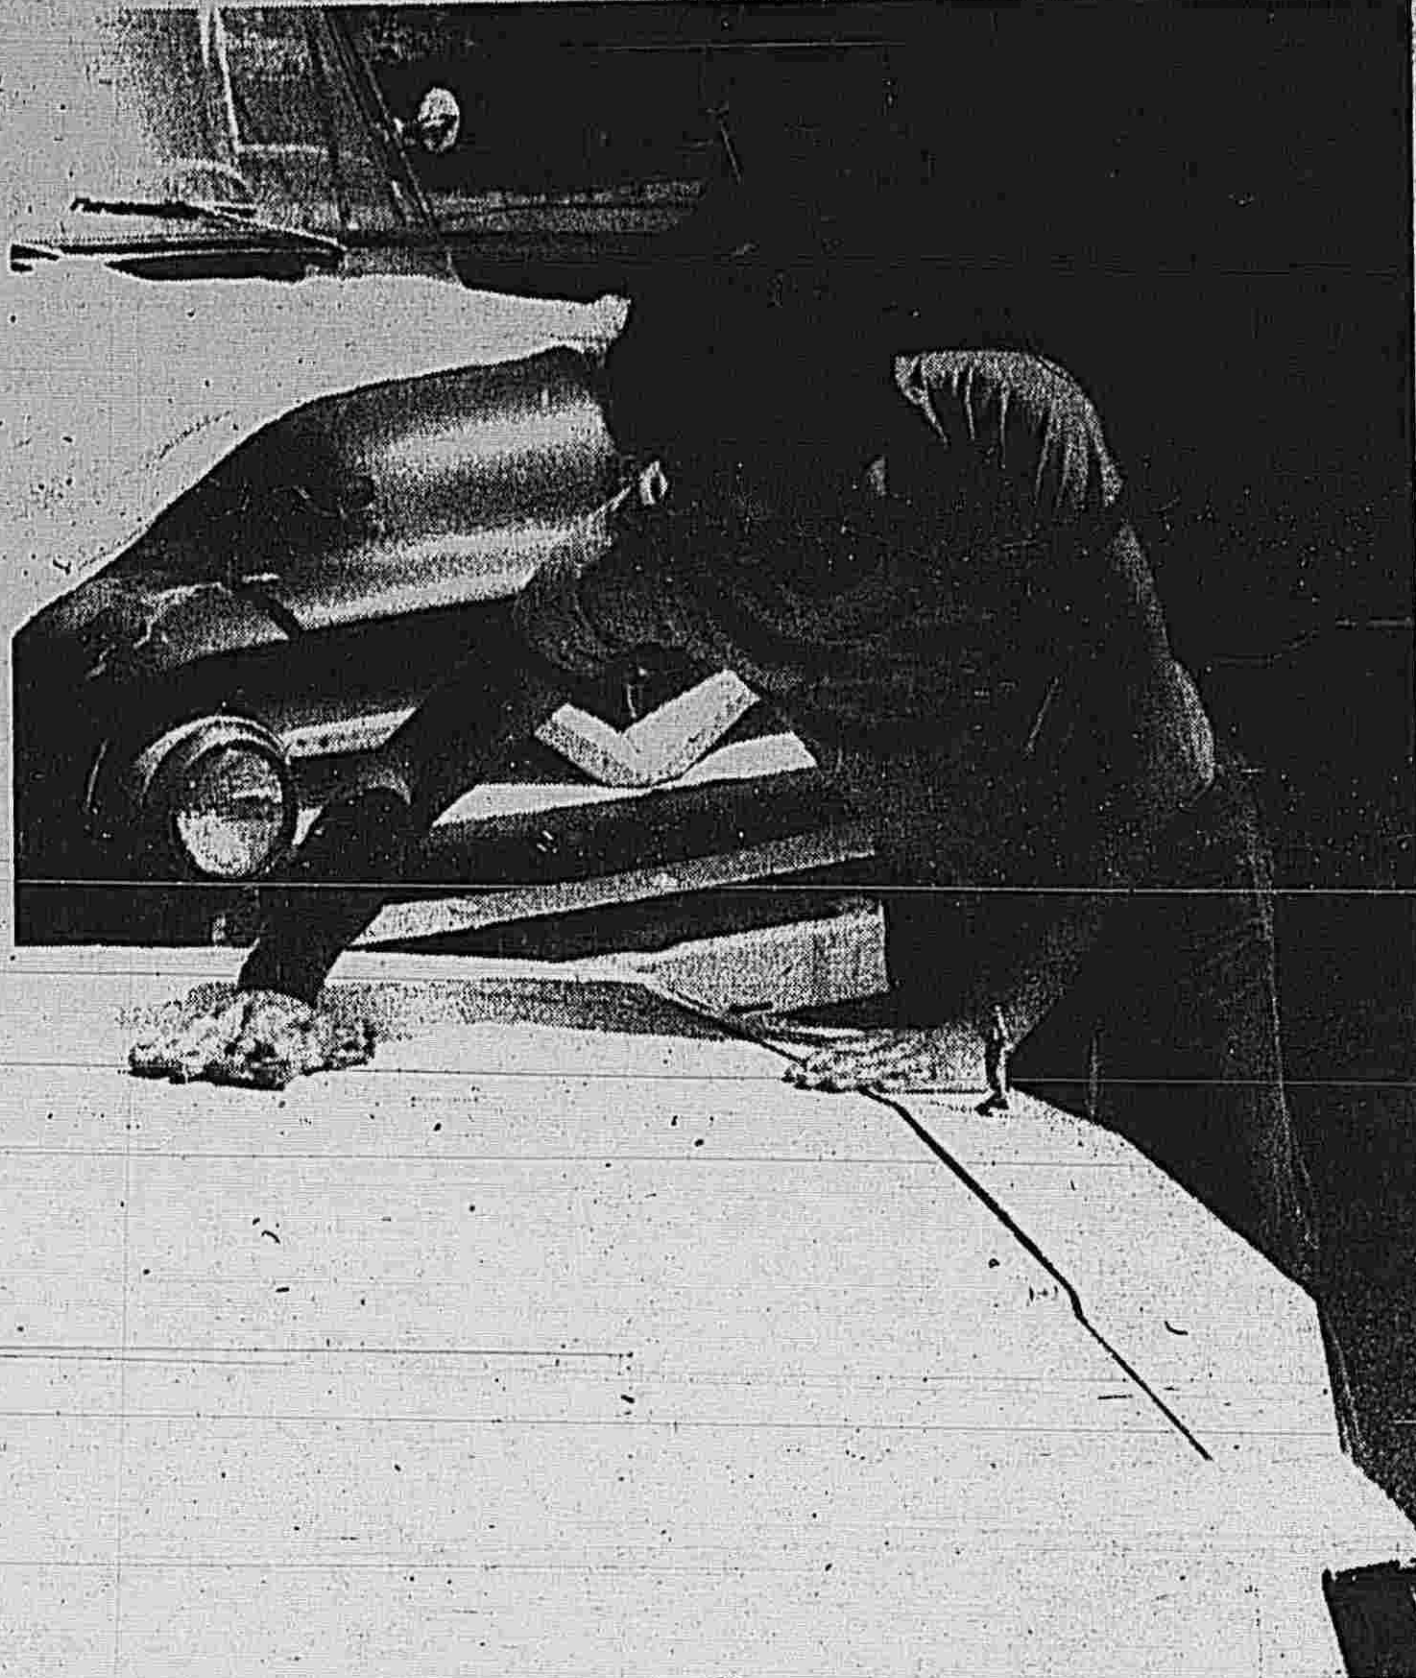

It is being held at Williams Park. Men and women are invited to join in. Available for your convenience are volleyball, tennis (please

supply your own equipment), swimming, aqua exercise, cycling, calisthenics, and a running clinic.

All this plus a babysitting service for the kiddies for a nominal fee of \$1.50 per evening. Come and join your neighbors and enjoy the lovely summer evenings.

For more information call the Parks and Recreation office at 395-2160. No advance registration is required.

Another program that we are running is swimming lessons. Sign up for the next sessions at the Aqua Center and in the parks and recreation office. For more information call 395-2160.

"Better than interest on checking"

Want to reduce your cost of monthly check writing? With Smart Saver, you can. If you keep both your savings account and your checking account with us, we'll reduce the cost of your checking account. For most people, this is better than earning interest on checking.

IT'S SMARTER TO DO ALL YOUR BANKING WITH US

Some people keep their checking at one bank and their savings account elsewhere. With the Smart Saver Checking Account, it is smarter to keep both checking and savings with us. Because with the Smart Saver Checking Account, your savings earns interest and qualifies you for discount on your checking account cost. So, your savings account is working doubly hard for you—earning interest and reducing checking costs!

IT'S MORE CONVENIENT, TOO

Smart Saver will also save you time. No longer will you have to run from one financial institution to another. With Smart Saver, you've got all your accounts in one convenient place.

STOP IN AND OPEN A SMART SAVER CHECKING ACCOUNT

Take advantage of the Smart Saver Checking Account—now! We'll be happy to show you how much Smart Saver can save for you.
